

**Disclaimer:**

The overview of private retailers' requirements for fresh fruit and vegetables has been prepared by Freshfel Europe secretariat for the transparency purposes following the request by Freshfel members. Although the content has been prepared with considerable care and attention, Freshfel takes no responsibility with regards to the content of the overview as the requirements might be modified by the retailers.

This overview is based on collected information from Freshfel members (business operators and retailers). The overview will be updated on a regular basis.

This document is a part of the service to Freshfel members and only for their own internal use. This document is not aimed to be further circulated externally without a prior authorization by Freshfel secretariat.

In case you are aware of any changes in the requirements, please do not hesitate to inform Freshfel at: [egle@freshfel.org](mailto:egle@freshfel.org)

Last update: 17/03/2016
